Anantara Spa

The unmatched spa amenities feature an extraordinary sauna park with a panoramic Finnish sauna, Roman steam room, hammam, hay room, diverse treatment rooms, and a serene salt room. Step outside to enjoy the Japanese baths and Jacuzzi pool or experience the snow panorama room.

Unique cocoon residences

Invest in a distinctive, beachfront cocoon residence. Over 200 spacious units, ranging from 52,5 – 120 sqm, frame breathtaking views of the ocean, sunrises, and sunsets. The cocoon concept, inspired by its use in nature, is your sanctuary to find inspiration, harmony and serenity.

Anantara Dragon Seseh Bali Resort & Residences

An innovative project with an extraordinary dragon-shaped design and cocoon-style residences by renowned British architect John Dawes. Anantara Dragon Seseh Bali Resort & Residences will be the first luxury beachfront resort and residences in Seseh offering world-class amenities: three swimming pools, restaurants and bars, a surf school, gym, yoga studio, spa, conferencing and coworking spaces, and a private helipad.
